martin147@hotmail.co.uk

Greater Manchester

Search engine optimisation specialist with 5 years' experience (client and agency side) and proven success of driving traffic from organic search which ultimately convert into revenue.

EXPERIENCE

EASYJET HOLIDAYS

SEO Specialist

Aug 2021 - Present

- Responsible for all things easyJet holidays SEO.
- Within 3 months of employment I was able to generate £100k+ in revenue via winning the 1st position for "Black Friday Holidays" query (signs of strong domain).
- 275% increase in YoY organic traffic and 141% in organic revenue due to improvement of SEO and demand increase post lockdown and travel restrictions.
- Average none-brand position from 9.9 to 6.7 YoY.
- Creating and managing roadmaps based on on-page and technical audits as well as competitor and gap analysis.
- Managing and prioritising deliverables including creating briefs and conditioning Jira stories for developers.
- Working closely with external SEO agencies and developers as well as internal digital merchandising, product, dev and content teams.
- Combining multiple data sources for reporting on performance.
- Tools used; BigQuery, Data Studio, Search Console, Google Analytics, custom rank tracker, SEMrush, Excel).
- Using real world data for decision making.
- Testing testing testing.
